## **RESIDENTS NO LONGER REQUIRED TO FILE ADDITIONAL TAX RETURNS FOR MOTOR VEHICLES**

*Montgomery County, Virginia* • Montgomery County residents who have filed a personal property tax return with the Commissioner of Revenue for a motor vehicle will no longer be required to file additional personal property tax returns, except in cases where the status of the vehicle or owner changes.

Such changes in status include a change in name or address, a change in location of the property or a change in the value of the property (buying or selling).

Property tax returns for motor vehicles are now due to the Commissioner of Revenue's office within 60 days of a status change to avoid a late filing penalty. Other property tax returns, such as aircraft, mobile homes or businesses are still due May 1 each year.

Any citizen with questions for the Commissioner's office should contact 540-382-5710 during regular business hours from 9 a.m. to 5 p.m., or email [royalhp@montgomerycountyva.gov](mailto:royalhp@montgomerycountyva.gov).
